Interview by the FBI
in December, 1954

On November 4, 1954, Mrs. F. A. MANN, 841 South County Line Road, Hinsdale, Illinois, telephonically advised this office that her son, FOREST ALLEN MANN, attended a movie entitled, "MAHATMA GANDHI - 20th Century Prophet" at the Immanuel Evangelical and Reform Church, Hinsdale, at which time an unidentified man gave a talk advising young men not to register for the draft.

On December 20, 1954, FOREST ALLEN MANN was interviewed at his residence, 841 County Line Road, Hinsdale, Illinois, and furnished the following information to SA [redacted]

MANN exhibited to SA [redacted] a flyer indicating a full length documentary film entitled, "MAHATMA GANDHI - 20th Century Prophet" was shown at the Immanuel Evangelical and Reform Church of Hinsdale at 8:00 P.M. on October 22 and 23, 1954. According to this flyer, this picture had been compiled by

CG 105-3357

the American Academy of Asian Studies at the request of the Indian Government with narration by [REDACTED]. This flyer further indicated that the movie was being sponsored jointly by the Immanuel Evangelical and Reform Church of Hinsdale and the West Suburban Fellowship of Reconciliation.

According to MANN, [REDACTED] was listed as the narrator and he, MANN, knew the meeting was Communist inspired. MANN knew [REDACTED] to be a Communist sympathizer since documentary evidence in the possession of the American Legion National Headquarters, Indianapolis, Indiana, had proven this point. MANN attempted to organize a group of young people in an effort to reveal to the people the true nature of this propaganda film by participating in a general discussion after the showing of the film. Due to the short time afforded MANN, he was unable to organize such a group but did attend the showing of this film with [REDACTED], and two friends. [REDACTED] and [REDACTED]

Prior to the showing of this film, an individual, whom MANN later identified as [REDACTED], minister of the Immanuel Evangelical and Reform Church of Hinsdale, spoke for approximately 15 minutes. MANN could not recall Reverend [REDACTED] exact words; however, in effect [REDACTED] counseled the young men in the audience to avoid military service. MANN was unable to furnish any quotes from [REDACTED] talk and the statement "avoid military service" was not made by [REDACTED], but the talk was pointed along that vein. [REDACTED] did not at any time mention the draft or Selective Service System, nor did [REDACTED] make any statement advising his audience to avoid the draft. Upon reflection, MANN was not sure that [REDACTED] had used the term "military service" in his talk.

MANN indicated that he and his friends did not participate in the general discussion since it would have been necessary to have viewed a second propaganda film about the United Nations.

FOREST MANN advised he is duly registered with the Selective Service Board and has no intention of avoiding military service in the defense of the United States.

The files of the Chicago office disclose no identifiable information concerning [REDACTED] or [REDACTED], both of Hinsdale, Illinois.

EDITORS: For Immediate Release

SUBJECT: Nasser's Nationalization of the Suez Canal

There has been a great deal of talk about President G. A. Nasser's recent act of nationalizing the Suez Canal. Of course, the lying Jewish press and radio have been making a big thing of it, putting it on good and thick: denouncing the act, vilifying Nasser, and distorting every piece of relevant news beyond recognition.

The machinery of the Invisible Government in Washington is humming too. That Jewish stooge, old "massive retaliation" himself, John Foster Dulles, and other members of the subversive Eisenhower "team" have blasted Nasser and threatened vast reprisals.

Several points should be made quite clear once and for all. Nasser has done nothing that the United States hasn't done and isn't doing right now down in Central America at the Panama Canal. He hasn't closed the Suez Canal and has no intention of doing so. Britain's bloody trade with Communist countries is not being cut off. Egypt has done nothing illegal or unwarranted. Contrary to what the Jewish press is trying to make people believe, there is no international crisis and no reason for panic.

In passing, it is interesting to note that while Britain opposes an economic blockade against Red China, she is now advocating the like against Egypt. Apparently she feels more at home with Communist than with anti-Communist nations.

We congratulate Nasser for his action. He is a fearless Nationalist who has been unmercifully tormented by the West, most noticeably by the Jew-dominated U. S. His decision was based on courage and that which is right. We might well take a lesson from the brave president of Egypt.

We suggest that the sick old man in the White House keep his Red fingers out of Nasser's business and confine his treason to domestic matters.

Furthermore, we appeal to the American people to beware of Jewish anti-Arab hate propaganda. The Jews are looking for the slightest excuse for involving the U.S. in a war in the Holy Land - a third Jewish world war: intended to kill off more Christians and to throw the entire Middle-East into the lap of Satanic Israel and the communistic-Talmudic Jews. - - - - - From an article by F. Allen Mann.

Walter Law Repeal Fight

THE REVERE

ALERTING AMERICA!

Vol. 2, No. 16

HINSDALE, ILLINOIS

November, 1956

"An Abandonment of Double Standards"

The laws of nature gave the fish of the water, the birds of the air and the beasts of the land an instinct to obey the Creator's command of segregation. But man, having been given the power of the choice between obedience or disregard of the laws of God and his nature, seeks to hybridize or mongrelize all that he touches, including his own posterity.

THE REVERE ALERTING AMERICA!

Editor
F. Allen Mann
Published by the Christian Patriots Crusade, P. O. Box 147, Hinsdale, Illinois.

South Awakening to Jewish Menace

The nation's Segregationists, States Rights and Nationalists have been guilty of a most dangerous—possibly fatal—tactical error. We've been trying to solve the race-relations problem when we should have been trying to solve the so-called "Jewish problem!"

Like General MacArthur was forced to say, "We've been trying to win the war, we've been trying to win the war."

Tom P. Brody, in his "Black Monday," (Association of Citizens' Councils, Winona, Mississippi; 31.00 postpaid) comments: "In the dark and gloomy jungles of Central America, in the land of the Caribs, in the Silva of South America you can see the proof of what negroid blood can do, how in a thousand years, half the life of England, a race can be exterminated."

STOP JEWISH BARBARISM!

By F. Allen Mann
All through history the Jewish race has been known for its savage massacres. From the time of Ahabshurus through the present day the Jews have been directly responsible for the deaths of over 75,000,000 human beings, a great number of whom were Christians.

The combination of the evil Jewish mind and the satanic Jewish religion makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented.

This is the type of material which was circulated in the hearing room when the House Un-American Activities held sessions here last week in attempt to intimidate groups opposing the Walter-McCarran Act.

Fascists Rally At Witch Hunt

CHICAGO. — The hearings of the House Un-American Activities Committee here last week became a rallying point for the fascist lunatic fringe of Chicago.

Some 40 members of anti-Negro and anti-Semitic organizations were brought down to the support the witch-hunt proceedings.

Some of their most rabid printed material was distributed in the hearing room in the Federal Building. On young adherent of the Christian Patriots Crusade, Hinsdale, Ill., stood at the doorway issuing his tracts as the audience left for the noon recess.

A LARGE group was brought to the hearing by Edgar Bundy, a professional McCarthyite who is active here in Republican Party groupings which have an openly pro-fascist program.

Bundy was associated with Sen. Paul Broyles in the repeated efforts to fasten the notorious Broyles bills on the people of Illinois. He appeared repeatedly as a so-called "expert" witness in Springfield, smearing liberal and labor organizations which opposed the Broyles bills.

The Un-American Committee apparently went out of its way to fill much of the hearing room with pro-fascist elements. It was reported that passes were issued to these groups to make sure they got seats.

ONE publication passed out in the hearing room, called "The Revere" contained an article by F. Allen Mann of Hinsdale, headed, "Stop Jewish Barbarism!" It contained this type of anti-Semitic incitement:

"All through history the Jewish race has been known for its savage massacres. The combination of the evil Jewish mind and the satanic Jewish religion make the Jew a sadist by his very nature."

The Un-American Activities Committee did nothing to halt the

distribution of this and other anti-Semitic material which was given out while Saul Grossman, executive secretary of the Michigan Committee for the Protection of Foreign Born, was testifying.

ANOTHER tract given out during the hearing was headed: "The Jew Created Communism." It was tied in directly with the Un-American Activities Committee effort to red bait all those witnesses who were called as heads of organizations fighting against the Walter-McCarran Act and other McCarthyite legislation.

"The Revere" also contained a tirade against Negroes, calling for violent resistance to desegregation and reporting on the growth of the Ku Klux Klan.

The Hinsdale group announced that they were supporting the efforts of the House Un-American Committee to uphold the Walter-McCarran Act.

"THE Revere" hit at the those organizations which "bring false charges against the law and motives of Americans who insist that the national blood-stream shall not be further polluted."

While the House Un-American Committee denied that they were attempting in these hearings to strike back at legislative attempts to repeal the Walter-McCarran law, committee witnesses and supporters made it clear that this was in fact the purpose of the hearing.

DETAILS:

The title of this report is being marked "CHANGED" to include the name ~~American Christian Patriots Party~~ which was the former name of subject organization.

By letter dated October 11, 1956, WILLIAM F. TOMPKINS, Assistant Attorney General, Internal Security Division, United States Department of Justice furnished the FBI, Washington, D.C. with a copy of a press release dated August 1, 1956 and prepared by the Christian Patriots Crusade (CPC).

This release criticized the United States foreign policy in the Middle East and reads in part as follows:

"We congratulate Nasser for his action. He is a fearless Nationalist who has been unmercifully tormented by the West, most noticeably by the Jew-dominated U.S. His decision was based on courage and that which is right. We might well take a lesson from the brave President of Egypt.

"We suggest that the sick old man in the White House keep his red fingers out of Nasser's business and confine his treason to domestic matters.

"Furthermore, we appeal to the American people to beware of Jewish anti-Arab hate propaganda. The Jews are looking for the slightest excuse for involving the U.S. in a war in the Holy Land - a third Jewish world war: intended to kill off more Christians and to throw the entire Middle-East into the lap of Satanic Israel and the communistic - Talmudic Jews. . . . From an article by F. Allen Mann."

All informants utilized in this report have furnished reliable information in the past unless otherwise indicated.

On the back page of this item there appears an "Open Letter to BROWNELL" written by one [redacted]

"You are the number one enemy of the white race. Every Segregationist you arrest is another black mark on your soul. We demand freedom for the white race to maintain its purity.

"You are a traitor to the white race. You are a despot on the backs of all Americans. By our might and spirit we will crush you and your kind. The enslaved peoples of Hungary have spoken against the tyrants. The oppressed peoples of white America will one day arise.

"Every U. S. Marshall and F.B.I. agent has become - an enemy of the people, like the Gestapo and the M.V.D.

"For every white man arrested today, you will pay ten fold tomorrow.

"Your persecution is uniting our forces. One day we will seize the upper hand and your evil reign will be at an end."

OFFICE MEMORANDUM --- UNITED STATES GOVERNMENT

TO : Director, FBI
FROM : SAC, Springfield (105-0)
SUBJECT: [REDACTED]
SECURITY MATTER - X

DATE: November 14, 1956

On November 6, 1956, [REDACTED]

[REDACTED] gave the following information to SA [REDACTED]
[REDACTED] at Rock Island.

It should be noted that [REDACTED] is the Rock Island Representative of the Anti-Defamation League or the B-Nai B'rith. He is also a former Alderman of the City of Rock Island and a member of the City Auxiliary Police Organization of Rock Island.

[REDACTED] said he believed that the FBI might be interested in a "summary report" which the Chicago Regional Office of the Anti-Defamation League had recently prepared concerning one [REDACTED]. He thereupon produced a photostatic copy of this "report" along with a photostatic copy of an open letter to Secretary of Defense CHARLES WILSON dated March 16, 1956 and signed by one [REDACTED]. He gave the photostatic copies of these documents to SA [REDACTED] suggesting that the FBI might want to make a record of the information contained in these documents. These two documents are quoted in their entirety as information contained therein may be of interest to both the Bureau and offices receiving copies of this letter.

"August, 1956

[REDACTED], has been mixed up in extremist anti-Jewish activity since he was 16 or 17 years old. He was born in Chicago of Catholic parents,

" but the family moved to Atlanta, Georgia, and was graduated from a Catholic school there in 1950. The head of the school characterized [] as a trouble-maker who was not a good Catholic.

"While at the school, [] tried to enlist students in an organization called the 'Black Front.' This was in 1949. [] told a fellow student the sponsor of the 'Black Front' was one [] a well-known former Nazi then living in Nova Scotia. [] further was reported to have stated that he was mailing literature and materials sent to him by [] to twelve different places in Germany.

"He was associated with the late Edward James Smythe, editor of the so-called Protestant News Service, and a long-time figure in the German-American Bund and Ku Klux Klan circles and in the anti-Jewish, anti-Catholic hate field. [] also has been close to the remnants of the old 'Columbians', a now defunct group of storm-troop-type individuals who preached hatred of Negroes and Jews alike. Their symbol was a lightning bolt symbol.

"In 1950, [] was associated with efforts to start a so-called National Folk Party and in discussing the party philosophy and his own views stated that while some of his associates advocated killing all Jews, he favored less bloodshed. He said he would prefer to kill or eliminate only the Jewish leaders, but would let so-called 'little Jews' live as individuals if they would drop their belief that they are a chosen people.

"He has distributed literature by notorious anti-Jewish propagandists such as [] of California, publisher of the violently anti-Jewish 'American Nationalist', and by Robert H. Williams, also of California, publisher of the anti-Jewish 'Williams Intelligence Summary.' He has also distributed anti-Jewish propaganda emanating from the well-known Swedish anti-Semite, [], many times jailed by the Swedish Government for his hate-spreading activities.

"During 1950 and 1951, as the moving spirit of the so-called Atlanta American Anti-Communist Society, [] circulated a handbill under the Society's imprint attacking Jews with the headline 'Jewish Communists Behind Atlanta School Segregation Suit.'

SI 105-0

"In July, 1951, [] wrote a letter which appeared in the July 26, 1951, issue of 'Women's Voice', a well-known anti-Jewish publication, in which [] said that the Jews were to blame for the suicide of Brooklyn baseball pitcher Hugh Casey. [] wrote: 'Hugh Casey is a victim of the Satanic Talmudic Jews. For a few dollars, these greedy Jews destroyed Hugh Casey's honor and his life.' The letter was signed by [], and the P.O. Box listed by him (P.O. Box 676, Atlanta) was the same as the P.O. Box of the Atlanta American Anti-Communist Society.

"In 1952, [] joined with another hate-peddler named J.B. Stoner in forming the so-called Christian Anti-Jewish Party. [] became executive secretary. This group advertised itself as 'the only political party in America which dares to offer a solution for the Jewish problem.' It circulated violently anti-Jewish handbills and the literature of known anti-Semites.

"Some time around 1953, [] went to Davenport, Iowa, where he enrolled in the Palmer School of Chiropractic. In February, 1954, a piece of literature issued by the National Citizens Protective Association of St. Louis, an anti-Negro, anti-Jewish organization, stated that [] and one [], also a student at the Palmer School, had visited Association headquarters.

"A week later, on the evening of February 20, 1954, signs were posted on stores in Rock Island, Moline and Davenport bearing the message 'THIS STORE IS OWNED BY JEWS' and the words 'ANTI-JEWISH WEEK, Feb 21-28.' This was the week set aside as National Brotherhood Week throughout the U.S.A.

"On March 16, 1954, [] and [], also from Atlanta, admitted their responsibility for posting of the signs in Rock Island to Rock Island Police. Apprehension by Davenport police quickly followed but [] denied posting the signs in Davenport where he was apprehended. Extradition to Rock Island where [] admitted an offense was impossible because the offense was a misdemeanor.

SI 105-0

"[] and [] admitted receiving the materials from the National Citizens Protective Association in St. Louis. The posters they put up were similar to posters put up in St. Louis in 1951.

"In August, 1954, [] was one of a group of members of the Christian Anti-Jewish Party who picketed the White House in Washington, carrying anti-Jewish signs. He also was reported to have taken part in other C.A.J.P. picketing and street meeting activities in Chattanooga, Tennessee.

[] has been in contact with a number of other anti-Jewish groups and agitators in the United States. These include James Madole, 'fuehrer' of the National Renaissance Party, branded as an un-American and subversive organization by the House un-American Activities in a report dated December 17, 1954. [] is also listed as an officer of a Chicago outfit called the 'realpolitical Institute', the brainchild of another anti-Semite named [], a long-time operator in the hate field whose name reposes in the files of the Minneapolis police. [] and his Realpolitical Institute, of which [] is an officer, are in touch with some of the better-known anti-Jewish hate peddlers throughout the nation, including Madole.

"[] in 1955 was listed by the Attorney General of Texas as one of the leaders of the U.S.Klans, Knights of the Ku Klux Klan. Throughout 1955 and 1956 however, [] main political activities have centered around the [] enterprise, while he continues to attend the Palmer School of Chiropractic in Davenport.

"Under date of March 16, 1956, [] took part in the circulation and mailing of a so-called 'open letter to Defense Secretary Wilson' signed by one [] of Davenport, who identified himself as a Seaman Recruit in the U.S.Navy attending the Palmer School in Davenport. Mimeographed copies of the letter which was anti-Jewish, were circulated with [] return address, and were sent, among others, to one Horace Sherman Miller of Waco, Texas, an elderly crackpot and bigot who

SI 105-0

is spending his last years circulating and distributing hate literature that is anti-Negro, anti-Catholic, and anti-Jewish.

"A letter, sent under date of May 25, 1956 to [] resulted in a reply, dated May 26, 1956, written by [] and stating that [] was handling all of [] correspondence. Naval authorities are believed to be investigating the [] incident.

"This investigation recalls an episode involving [] and his relationship with the Naval R.O.T.C. program. It is reported that [] applied for and was admitted to the Naval Reserve Training Program at Chamblee, Georgia, and immediately tried to set up a unit of the Christian Anti-Jewish Party at the base, soliciting all personnel for membership. When the matter came to the attention of authorities there, [] enlistment was cancelled. [] incidentally, is reported to have been rejected by the Army in 1952. It is believed the rejection was on psychiatric grounds.

"In recent weeks and months, [] has been connected with the group known as the Chicago Committee of the Northern Friends of the South which held some meetings in Chicago around the time of the recent Democratic National Convention. A main speaker and moving spirit in the activities of this group is [], ex-street-corner Jew baiting rabble rouser of Christian Front and Christian Mobilizers notoriety in the 1930s. McWilliams was indicted on January 30, 1944 for sedition. Another figure connected with this group is [] of the violently anti-Jewish Chicago publication called 'Women's Voice.' The meetings of this group in Chicago on August 12th and 13th were characterized by openly and outrightly anti-Jewish speeches by [] and by [] another long-time crackpot hate-peddler. [] spoke at August 13th meeting. Other known anti-Semites and Jew-haters were present.

"Less than a week later, the Des Moines Register reported on the formation at Iowa City, Iowa, of the American Constitutional Party of Iowa, with [] named as acting chairman, and his wife as secretary-treasurer.

"Main speaker at the meeting was [] of the Republic Electric Co., Davenport. "

"Dear Sir:

"Arms must never be sent to Israel. Such an act would only drive the Arabs into the Communist orbit.

"The Jews have no rightful claim to Palestine. The Arabs & Christians lived there for centuries before the Jews arrived. The Jews have desecrated and destroyed the Christian shrines in the area. They have driven the Arabs from their homes into the desert to starve.

"Israel is just as Communist as Russia. No Gentile can vote or hold public office. They have Socialized their Government, even down to the Collective farm.

"Sir, Communism is a Jewish instrument for World Domination. The Jew Karl Marx (son of a rabbi) founded Communism, Jews have always controlled the Communist Movement. Today the Jewish Banker, Ashberg heads the Soviet bank. Koganovich, (also of the Jewish tribe), heads all industry in Russia.

"No wonder Socialism-Communism seeks to destroy Christianity. Now we can see and understand why all Communist spy cells are controlled by the likes of the electrocuted Rosenberg cult.

"The plot of the Jews is to arm millions of Arabs. Then get America to back a few thousand armed Israelites. The Jews will provoke an Arab attack, and Americans will then go in and fight for the Jews. Russia will then sit back and laugh as they did when we lost 30,000 men fighting the Chinese in Korea. In the end we would lose 1,000,000 men and the Jews from both Russia & Israel

On November 1, 1957, Mrs. F. A. MANN, 841 South County Line Road, Hinsdale, Illinois, whose telephone number is FA 2-3872, telephonically advised that her son, FORREST A. MANN, Jr., age 21, who is publisher of a newspaper called "Revere" had received a newspaper entitled "Labor" postmarked Cincinnati with several articles underlined.

One of the articles had to do with some young people dying in an automobile crash and others pertaining to President EISENHOWER and his 67th birthday. Mrs. MANN advised she had no idea who sent the newspaper or exactly the implication of the articles being underlined but felt that this should be called to the attention of the FBI.

This information is being submitted for the file and no action is being taken. This matter was discussed with SA [REDACTED] on November 1, 1957, and a review of the file ascertained that MANN is a pro-white anti-Semitic publisher of a newspaper and a prime force in the Christian Patriots Crusade.

It is suggested that substantial background information regarding both MANN and his family and the Christian Patriots Crusade could be obtained by an interview at this time in regard to the above information furnished by Mrs. MANN.

WE, THE MOTHERS, MOBILIZE
FOR AMERICAN, INC.
IS - X

The following information is being set forth in
connection with President EISENHOWER's visit to Chicago
January 20-21, 1958.

On January 17, 1958, [REDACTED]

[REDACTED] Anti-Defamation League, B'nai B'rith, [REDACTED]

furnished SA [REDACTED]

[REDACTED] the following information:

On January 14, 1958, We, The Mothers organization
held a meeting at the Atlantic Hotel in Chicago. At this
meeting, F. ALLEN MANN, of the Christian Patriots Crusade;
[REDACTED], of We, The Mothers organization,
and ANDREW MC ALLISTER, representing the Nationalist Unity
Party, planned a "Freedom March" during President EISENHOWER's
stay at the Amphitheater in Chicago, January 20, 21, 1958.

According to [REDACTED], ANDREW MC ALLISTER recently
came to Chicago from San Diego, California. [REDACTED] described
the Nationalist Unity Party as being opposed to almost
everything (such as opposition to the EISENHOWER Administration,
fluoridation of water supply, Salk polio vaccine, etc.)
They favor return to a constitutional government in the
United States. This party is very similar to We, The Mothers
organization.

These individuals planned to meet in front of the
Stock Yards Bank, Chicago, Illinois, at 6:45 p.m. on
January 20, 1958. If enough persons were interested, it
was planned for the demonstration to meet at the Loop
Greyhound Bus Terminal, Chicago, at 6:15 p.m. and travel in
a motorcade to the Amphitheater in Chicago.

According to [redacted], the above mentioned individuals planned to carry posters with the following notations:

"Remember Little Rock"

"Get Our Boys Home and the NATO Troops Out of the U.S."

"Impeach Ike, Modern Zhukov"

"Modern Republicanism is Treason to the U.S."

According to [redacted], these individuals were planning to march in front of the Amphitheater from 7:00 p.m. until 9:00 p.m. on January 20, 1958. These individuals had no discussion as to entering the Amphitheater or engaging in any type of violence. The purpose of this Freedom March is for publicity and to make their feelings known.

[redacted] attributed this information to a source in their organization whom he described as reliable.

[redacted] advised that he furnished this information to Chief of Police TIMOTHY J. O'CONNOR, Chicago Police Department, and to the U.S. Secret Service in Chicago.

On January 17, 1958, Lieutenant [redacted] Security Unit, Chicago Police Department, advised SA [redacted] [redacted] substantially the same information as set forth above and that [redacted] had learned of this information from Secret Service in Chicago.

On January 17, 1958, the Bureau was advised by teletype of this situation.

On January 20, 1958, [redacted] advised that MANN had, on January 17, 1958, sent out post cards requesting individuals interested in participating in the Freedom March at the Amphitheater to meet at the Greyhound Bus Terminal, Randolph and Clark, Chicago, at 4:00 p.m. This group would then travel to the Stock Yards Bank, where they would meet at 4:30 p.m. and begin the march at 4:45 p.m. All those interested were requested to call WE 9-7126. (Information Service, Illinois Bell Telephone Company, disclosed this

CG 100-7343

number listed to We, The Mothers organization.) [redacted] advised that he had furnished this change of time to Secret Service.

At 10:25 a.m. on January 20, 1958, Lieutenant [redacted] [redacted] was furnished with the information of the change of time of this planned march.

On January 21, 1958, [redacted] advised that there was no Freedom March conducted at the Amphitheater on January 20 and that there was no one in evidence there carrying any type of posters. According to [redacted], there were about five middle-aged women near the entrance of the Amphitheater who passed out literature captioned "Which Eisenhower?" which, according to [redacted], was a reprint from "Women's Voice," official publication of We, The Mothers. These women, names unknown, passed out literature from about 6:00 p.m. until 7:05 p.m., when they disbanded and left. According to [redacted], MANN was not seen in the area around the Amphitheater.

UACB, no investigation is being conducted in this matter by the Chicago Office. This memo is being submitted for information purposes.

Christians, Awake!

PROLOGUE— *****

It was intended that ours should be a Christian Nation. Its government, its way of life, its society was based on fundamental Christian precepts. Because our Nation lost its way, it faces the horror of the coming Red Terror. If we are to save our Nation, we must return to the Christian Way; there can be no compromise, no co-existence with the forces of evil. And we must understand that these forces of evil are not concentrated in some far off Continent awaiting the order to attack. Those forces of evil are in our very midst, posing as friends and brothers and advisers. And we accept them, aid them in their preparation for our own destruction. The key to salvation, as a nation and as individuals, is to know the truth. Once the people know the truth, as Abraham Lincoln said, the people will know what to do. But — to know the truth, we must shake off the mental torpor and spiritual comatosity induced by centuries of brain-washing and soul seducing.

THE PHARISEE ATTACK

When organized Judaism began its campaign to "sell" America on the ideal of Universal Brotherhood; both in the things which are Caesar's and the things which are God's; the line of attack became quite simple: "Anything which is pro-Christian is, *per se*, anti-Jewish."

"Who can dispute the truth of that statement? Jesus testified to its truth when he said, 'He who is not for me is against me.' Christ held no Brotherhood meetings with Rabbinists and Pharisees. He witnessed before them as individuals; but when they organized that first Conference of Christians and Jews on the mount of Olives, He said to them:

"Ye are of your father the devil, and the works of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it."

In a Christian America, anti-Jewish from the very start, the first work of the Judeo-political sons of the devil was, therefore, to eliminate that word "Jew," except when used as a word of respect and praise. So, they coined a new word: "anti-Semite" - eternal insult to those true Semites of the Middle-East whose ancestors walked with Jesus, praising Him instead of seeking to stone Him.

So now the action-slogan read: "Anything which is pro-Christian is, per se, anti-Semitic."

What these proselyte Pharisees (for they are only Talmudists by adoption, therefore "twice the sons of hell") have done to destroy our Christian American way of life is amply documented in the works of other writers. Duplication at this time seems unnecessary. However, an illustration of the techniques used, and the extent

to which these anti-Christ plotters have gone does seem advisable.

Here is a copy of a letter sent out to all principals under the signature of one R. S. Pollack, Superintendent of Schools for the State of New Jersey.

"The purpose of this bulletin is advisory. We are told, by the State Department in charge of enforcing the anti-discrimination statutes, that there is a growing feeling, in various parts of the state, with respect to the celebration of Christmas by special observances and exercises in public schools. While this is not yet a situation that could be characterized as a problem, it is one that is growing and which will require our attention in the near future. It might, therefore, be wise to act somewhat beforehand in this respect with the end in view of lessening the impact in this community if, when and as the situation becomes critical.

"At this time, no specific action is indicated but it may be wise to consider beginning at once how the Christmas program to be offered in your school could be re-planned so as to de-emphasize the sectarian religious aspect thereof and to emphasize instead the folklore values. As an illustration, it may be possible to substitute such folksongs as "Deck the Halls with Holly" for one of the more religious type songs which are generally used. It is the opinion of your Superintendent that within the foreseeable future, say the next three to ten years, it will be required by the courts that the specifically religious aspect of the celebration be deleted from public school programs and that it will be-

come illegal to use some of the hymns and anthems that are now quite common and that it will become necessary to avoid pageants involving the nativity, angels and similar props. It is suggested that it might be well to begin to re-plan this program in this direction so that the change-over is so gradual as to be unnoticeable to the general public over a period of years." (Bold type ours—Ed.)

The above letter is a typical example of the methods employed by the Christ-haters who promote Universal Brotherhood. They're to take Christ out of Christmas; but not by direct attack. Take ten years if necessary. Today it is sufficient to take away the Divinity of Jesus and call Him a great teacher, but mortal only. Tomorrow, His illegitimate birth can be established. Finally, He can be denounced as heretic, impostor and blasphemer. And, at long last, like Stalin, Jesus can be written out of the Book altogether.

THE CHRISTIAN COUNTER-ATTACK

If anything pro-Christian is anti-Jewish, it follows that anything pro-Jewish is anti-Christian. It's as simple as that. So, let's light the devil's fire with the fire of the Holy Spirit.

For half a century we have been re-making Christianity into a lukewarm philosophy of mortality which can be practiced without offending the Jew!

Have you the courage, under God, to admit that any kind of Christianity which does not offend the Jew has no right to be called Christianity?

Christ so offended the Jews that they considered the only fit place for Him was on the cross. From then till now the Jew has hated Christ and has taught his children to hate Him.

Today in America, when we do Christian or patriotic work, they say we are discriminating against the Jew, that we are anti-Semitic; and the concentrated force of the hate-mongering ADL and a dozen other anti-Christ organizations is hurled against us.

If we are witnessing for Christ, can we expect less? If we stand up for the God of our Fathers, can we expect less?

Like Peter before being endowed with the Holy Spirit, we have been denying Christ. That's the reason our beloved Country is in the shape it's in! That's why we prepare for the coming of the Red Terror!

Now, let's quit denying and start fighting back armed with the full armor of God! Let's have our own anti-defamation league and speak out at every occasion against the defamation of Christ!

It is no longer enough to "come out from among them" and be separate, and touch not the unclean thing. (See II Corinthians 6:14-18) We must clean out the temples of the Lord.

Remember always, we fight not against the individual. For that is not the way of Christ. But, whenever two or more are gathered together in the name of Liberalism, or Modernism, or Brotherhood, or any of the other names under which the anti-Christ disguises his followers; the devil himself is in their midst.

On page 4 is an item headed "FBI-ADL Terrorism" which states that there is a "close relationship between the FBI and the Jewish gestapo, the Anti-Defamation League of B'Nai B'Rith." The article refers the reader to the book "Masters of Deceit" as a substantiation of this relationship. It goes on to say that "The FBI-ADL Conspiracy of intimidation and persecution of patriotic Americans is far more terrifying than the average person realizes" and quotes from "The Thunderbolt," publication of the National States Rights Party, how the FBI followed J. B. STONER of Atlanta, Georgia.

It cites purported "FBI-ADL terrorism" as in Clinton, Tennessee, "where 82 men investigated 16 segregationists, and Little Rock, where hundreds of FBI goons swarmed about like locusts, trying to frame the courageous Little Rock Freedom Fighters."

It says never to associate with FBI agents or Jews as they cannot be trusted and concluded that it is "better to go down fighting than to let the enemy win by default, without taking losses himself. And besides, some of these FBI-ADL gestapo snoopers might wake up to the fact that a day of reckoning is near at hand and that they had better not be on the patriots' lists when it comes! DEATH TO THE TRAITORS!

Also enclosed with the pamphlet were two leaflets, copies of which are enclosed for the Bureau. One has a drawing of a hanging and states "Death! to the Traitors -

BOMBINGS AND ATTEMPTED BOMBINGS
 IN SOUTHERN COMMUNITIES
 RACIAL MATTERS

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

CG FILE 105-2503

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

CG FILE 105-262

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L. K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

Allegations have been received during July, 1958, that this group was involved in racial bombings in Miami, Birmingham, and Nashville. Its head is allegedly Jesse B. "Williams Intelligence Summary"
105-10091

(Los Angeles)
6 refs - no more files

This publication is a monthly news letter of obvious anti-Semitic nature prepared by Robert H. Williams, Santa Ana, California. Williams claims to have vast experience in the intelligence field dealing with the communist menace. However, pertinent records reflect he was associated in a limited capacity with Air Force Intelligence during World War II. Material printed by Williams is often reprinted in "hate" publications such as "Common Sense."

Each office of origin of the groups listed above should launch an immediate investigation to determine whether these groups could be connected in any way with any of the bombings which have occurred since January 1, 1957. In order to accomplish this, it will be necessary to determine the present leaders and membership of the groups and to establish the pattern of their activities during the pertinent period, that is whether they have advocated violence or are of such a radical nature as to present a potential for violence. These cases must be assigned to mature, experienced Agents and must receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into the approach to these investigations and it is expected the appropriate initiative and ingenuity will be exercised to achieve results. Sufficient manpower must be assigned in order that all investigation may be handled promptly and a determination can be made as to whether any of these groups are involved in the bombings. You must, of course, comply with instructions set forth in reairtel to develop sufficient informant coverage so that you will be advised on a continuing basis of the plans and activities of these groups.

Re: BOMBINGS AND ATTEMPTED
BOMBINGS IN SOUTHERN COMMUNITIES

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

Los Angeles files likewise disclose no information concerning FREDERICK JOHN KASPER and JESSE B. STONER not known to the Bureau and the offices of origin.

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

Of possible interest is a news article that appeared in the Los Angeles "Mirror News" dated January 18, 1955, which mentions that the National Renaissance Party had come to the attention of the House Committee on Un-American Activities, which had, in a report on "hate groups", stated one [redacted] b6 b7C
billed as an "organizer" for the NRP in Los Angeles, had been a guest speaker at a meeting of the NRP in Yorkville, New York, on June 26, 1953; that [redacted] had allegedly organized a fully uniformed group "in his city" and had distributed thousands of copies of the NRP's "Bulletin." The article suggested the House Committee had given [redacted] "unduly high notice," adding that "whatever activities he may have engaged in for the NRP in the past now are pretty much discontinued," and that in any event [redacted] had departed Los Angeles to attend the Hastings School of Law in San Francisco. In connection with this news item, it is interesting that none such mentioned activities on [redacted] part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which GERALD L. K. SMITH, aided by a staff of associates of long standing [redacted] b6 b7C

[redacted] Rev. CHARLES F. ROBERTSON - his printer, Dr. WESLEY SWIFT, and BERTRAND COMPARET - his attorney), maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

SMITH and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

[redacted] who has maintained an active interest for years in SMITH (and the CNC) in view of his frequent b2 b7C

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that SMITH and his associates, including the former California Klan leader, Rev. WESLEY SWIFT, have never committed themselves to a course of violence. He said that SMITH's organizations are not membership organizations but are only "paper" organizations, and thrive on the sale of literature, almost entirely of SMITH's own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

He stated SMITH's activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

b2
b7D

[redacted] said this conclusion likewise applies to his associates, including SWIFT, over whom SMITH exercises personal direction. Moreover, SWIFT is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he ever thought otherwise) is one of avoiding similar involvement. [redacted] added that SMITH reportedly expressed his serious concern that his organization might unjustly be blamed in some way for the recent bombings in the South.

[redacted], Los Angeles Jewish Community Center, Los Angeles, California, who has likewise maintained an active interest for years in SMITH's organizations, in concert with other Jewish investigative organizations throughout the country, stated on October 20, 1958, that SMITH's primary interest is financial and that he is too intelligent to permit himself or his associates to bring about the ruin of his whole "racket" by involvement, direct or indirect, in violence such as the bombings in the South. He said he has not heard and does not believe that

b6

a serious possibility exists that SMITH or his associates have any relation to the bombings.

[redacted] of the Los Angeles Sheriff's Office's Anti-Subversive Detail, Detective Captain [redacted] of the Pasadena, California Police Department, and Detective Captain [redacted] of the Glendale, California Police Department (on October 22, 1958) were able to furnish no information indicating that the above characterizations of SMITH and his organizations are not true. All the above sources stated that they have received no information indicating that anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of possible involvement in the recent bombings in the South.

"WILLIAMS' INTELLIGENCE SUMMARY"
(Bufile 105-10091)

Los Angeles files disclose ROBERT H. WILLIAMS has been engaged solely in the publication of his literature, and that there is no information that he has advocated violence in the solution of racial problems. He has, moreover, been interviewed by Special Agents on two or three occasions in the past and has always been cooperative.

[redacted], Santa Ana, California, who has been reliably cooperative with Agents of this Office in security matters on several occasions, stated on October 23, 1958, that he has been acquainted with ROBERT H. WILLIAMS for some time in Santa Ana and that as long ago as 1957, WILLIAMS ceased publishing the "Williams' Intelligence Summary" under the name Williams' Publications, Post Office Box 868, Santa Ana, of which he was the sole proprietor. He said that WILLIAMS quit because his literature activities had never been remunerative; that WILLIAMS has since moved to Silverado, California, and is now the owner and manager of the Duplicard Addressing Machine Company, 1010 East Chestnut Street, Santa Ana. He explained that during the past few years WILLIAMS had been working on the side perfecting an invention (the Duplicard Addressing Machine) and that he has recently been able to incorporate and go into business on a full-time basis. He said that WILLIAMS now retains no connections with his past publishing activities; that he never had a membership organization or advocated violence in his writings, and has made no trips outside of California during the past couple years, and could conceivably have had no connection with the bombings in the summer.

[redacted] and [redacted] (above) both confirmed the statements that WILLIAMS is not known to have advocated violence in his articles, or to have been more than a publisher of his own writings on communism and subversive influences from an anti-Semitic point of view.

AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California, is the name under which [redacted] publishes (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which he mails locally and allegedly to addressees in the southern states. [redacted] and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. At those times it was learned that [redacted] operates alone and is engaged solely in the sale of his own literature, making frequent appeals for subscriptions to his literature and donations to continue his efforts.

b6
b7C

[redacted] Inglewood, California, stated on October 22, 1958, that [redacted] AN has been investigated by the Postal Inspectors on four or five different occasions, but has never been found to have misused the mails, having never advocated the use of violence in his literature. He said that [redacted] frequently visits the Post Office to deposit batches of his literature in the mails, destined to addressees locally and in the southern states. He added that the AN is not a membership organization, conducts no meetings, and is solely operated by [redacted] for the purpose of selling his literature and seeking donations, through these means "earning" a living for himself and his wife. He added that [redacted] is not the sort to get along with others and he has never sought the association of others in his AN.

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is, similarly, a name behind which Mrs. HELEN W. COURTOIS, 1405 Sutherland Street, Los Angeles, publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

LA 105-6075

WJM:mac

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

b2
b7D

b6
b7C

[redacted] and [redacted] (above) both state that their organizations have been actively interested in [redacted] AN and COURTOIS' KAC and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by [redacted] and COURTOIS for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has. [redacted] added that COURTOIS is a woman in her later 50's or early 60's. They stated that it is not conceivable that either [redacted] or COURTOIS have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

[redacted] of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; Detective Captain CARL LINDHOLM of the Pasadena, California, Police Department; Detective Captain WALTER E. HEGI of the Glendale, California, Police Department, and Detective Lieutenant R. J. GOODYEAR of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning [redacted] and COURTOIS.

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with the "Williams' Intelligence

LA 105-6075
WJM:mac

Summary" in view of its discontinuance almost one year ago, and WILLIAMS' disassociation from his past activities, being presently absorbed in his new business. It is also considered, being "one-man" operations of a nonmembership type engaged in issuing literature, investigations of [redacted] American Nationalist and COURTOIS' Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACB.

b6
b7c

With regard to SMITH's Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that SMITH and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating SMITH and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among SMITH's inner staff which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to SMITH and/or any of his associates, and for that matter [redacted], WILLIAMS and COURTOIS, for any information they may have heard in connection with the southern bombings, is not warranted. SMITH may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

On October 22, 1958, Assistant United States Attorney JAMES B. PARSONS, Chicago, advised SA [] that on October 9, 1958, postal inspectors at Chicago have presented a case against F. ALLEN MANN, 841 South Countyline, Hinsdale, Illinois, charging him with violation of USC, Title 18, Section 1461, in connection with MANN's mailing of anti-Semitic posters printed by his organization known as "Christian Patriots Crusade", which may come within the purview of the statute. Assistant United States Attorney PARSONS has corresponded with the Criminal Division of the Department at Washington, D.C., and as yet has not received an opinion from the Department.

AUSA PARSONS advised that his files concerning MANN reflect that in October, 1958, the postal inspectors had intercepted a tape recording sent by MANN to [] in Gambier, Ohio. [] was contacted by the postal inspectors and through a legal search procedure the content of this tape recording was transcribed, on July 18, 1957. A photostat copy was furnished by AUSA PARSONS to SA []. This transcription in summary contains comments of F. ALLEN MANN and person referred to as [] (presumed to be [] F. ALLEN MANN). MANN commented on State candidates for the 1956 elections making reference to [], and []. MANN also commented on the printing of "The Revere" regarding proposed source of potential subscribers and increase in subscription rates. He also devoted considerable space on the tape citing the declaration of principles of the National States Rights Conference (date and place not indicated).

[] talked about the accessibility of saltpeter from the local drugstore and the fact that he had made firecrackers, flares, and "a real nice pipe bomb." [] mentioned that "a kid" made a foot long bomb and exploded same at Clarendon Hills, (Ill.) which made such a noise that three police cars came to investigate. saltpeter through a "chemical catalog" and that it could be purchased at "net". He had also learned how to make fuses with glycerine and potassium permanogonote or something similar to that. He also mentioned the using of "jerret fuse". [] concluded his comments by stating that he would try to accumulate a quantity of potassium nitrate and hoped that [] would be able to think of some way of using this product. No legal action was undertaken by the AUSA at that time.

In March and July, 1957, AUSA PARSONS was again contacted by postal authorities in connection with possible violations concerning MANN within their investigative jurisdiction; however, PARSONS at that time determined that the facts would not result in successful prosecution, hence no action was taken. PARSONS has maintained the file on MANN in a pending inactive status for possible future prosecutive action.

[] Chicago file reflects [] of [], was arrested with MANN on July 10, 1957, by the Hinsdale Police Department for distributing anti-Semitic literature in the Hinsdale area. The files contained no additional identifiable information concerning [].

The above is being furnished to the Bureau for information and no further action will be taken in this matter under the MANN caption. On October 28, 1958 at 2:10 PM., Mrs SARAH, MANN, 841 South County Line Road, Hinsdale, Illinois, telephone FA 3-2872, telephonically advised that a man called by phone on 10/28/58 shortly before calling the FBI asking for her 22 year old son F. A. MANN Jr. who was not home.

The man identified himself as [REDACTED] of the "Lincoln Council", founded in 1931. He said this is a very important organization and in 1943 smashed some "crime syndicate" operations in Illinois.

[REDACTED] said he had an unpleasant duty to perform in telling her that the "Committee" has said that no more information is to appear in the newspapers by her son or he will "be removed forcibly from the State of Illinois".

Mrs MANN said she was frightened and asked if the family will be notified in writing of the "committees" action. [REDACTED] was non-committal. Mrs MANN said the call was local and not a long distant call.

Mrs MANN was asked what appeared in the paper about or by her son and in what paper. She said there had been information in the papers nationally and that her son is interested in States Rights and Integration. Questioned further she said her son is a "Segregationist". She was evasive upon further questioning along this line.

"The Worker"

100-19491-2436

"The Worker", Illinois Edition, issue of 12/9/56, p. 15, col. 4, contained an article entitled "Fascists Rally At Witch Hunt", which reflected the following:

Chicago. - The hearings of the House Un-American Activities Committee here last week became a rallying point for the fascist lunatic fringe of Chicago.

Some 40 members of anti-Negro and anti-Semitic organizations were brought down to the support the witch-hunt proceedings.

Some of their most rabid printed material was distributed in the hearing room in the Federal Bldg. One young adherent of the Christian Patriots Crusade, Hinsdale, Ill., stood at the doorway issuing his tracts as the audience left for the noon recess.

The Un-American Committee apparently went out of its way to fill much of the hearing room with pro-fascist elements. It was reported that passes were issued to these groups to make sure they got seats.

One publication passed out in the hearing room, called "The Revere" contained an article by F. ALLEN MANN of Hinsdale, headed, "Stop Jewish Barbarism!" It contained this type of anti-Semitic incitement:

All through history the Jewish race has been

CG 105-3802

known for its savage massacres.... the combination of the evil Jewish mind and the satanic Jewish religion make the Jewish a sadist by his very nature".

The Un-American Activities Committee did nothing to halt the distribution of this and other anti-Semitic material which was given out while [redacted] of the Michigan Committee for the Protection of Foreign Born, was testifying.

Another tract given out during the hearing was headed: "The Jew Created Communism". It was tied in directly with the Un-American Activities Committee effort to red bait all those witnesses who were called as heads of organizations fighting against the Walter-Mc Carran Act and other Mc Carthyite legislation.

"The Revere" also contained a tirade against Negroes, calling for violent resistance to desegregation and reporting on the growth of the Ku Klux Klan.

The Hinsdale group announced that they were supporting the efforts of the House Un-American Committee to uphold the Walter-Mc Carran Act.

"The Revere" hit at those organizations which "bring false charges against the law and motives of Americans who insist that the national blood-stream shall not be further polluted".

While the House Un-American Committee denied that they were attempting in these hearings to strike back at legislative attempts to repeal the Walter-Mc Carran law, committee witnesses and supporters made it clear that this was in fact the purpose of the hearing.

Bigotry and the Law

In recent months it has been noteworthy that many individuals who have been engaged in a variety of hate activity have found themselves enmeshed in violations of the law, resulting in a number of interesting court proceedings and convictions. In Chicagoland, sundry elements who have joined in a loose amalgamation of efforts have been especially hit. One case which has received a healthy amount of public attention revolves around the misnamed "American Humane Society", led by [redacted]
[redacted]

We recently reported a new addition to the welter of small-time hate organizations which exist in different parts of the country. This effort is led by F. ALLEN MANN of Hinsdale, Ill., a young college student who has been disseminating a hate periodical named "The Revere". MANN has ambitions to become the leader of a real movement and currently calls his operation "The Christian Patriots Crusade". From our ongoing fact-finding investigation of different elements in Chicagoland, it became evident several months ago that MANN was in close touch with these elements and a goodly number of professional hatemongers around the country. In a move calculated to attract the support of these forces, MANN flamboyantly announced, just prior to Thanksgiving, that he intended to hold a cross-burning and book-burning in Hinsdale on Nov. 23. MANN minced no words in designating that his Ku Klux Klan endeavor had the Jews very much in mind. Law enforcement agencies at all levels were quickly alerted and were prepared to apprehend MANN and his assistants in the event of any violation of the law. For a variety of reasons, plans for the affair were suddenly canceled on the eve of the event, but MANN has since

CG 105-3802

announced that he has not given up his notions and has hopes to feature several Southern Klan leaders for a "real affair" some time in April. There is a strong possibility that [redacted] Huntley, Ill. farm may be the site for such an event. MANN demonstrated his sympathetic attachment to [redacted] and his current troubles with his "American Humane Society" by sending a "tongue in cheek" letter to the Chicago Sun-Times, berating that paper for earlier denunciations of [redacted] his colleagues, and all that they represent. MANN also managed to gain a bit of notoriety in Dec., when he sought to stir up trouble on the occasion of a House Committee on Un-American Activities probe in Chicago. MANN attempted to disseminate a number of crudely anti-Semitic items in the corridors adjoining the hearing room, following the adjournment of the hearings, but was quickly stopped by Chicago and federal authorities who had been alerted to his divisive background. MANN has also sought to exploit his inflammatory points of view in the columns of "Women's Voice" vitriolic hate sheet edited by [redacted] [redacted] major domo of "We, the Mothers, Mobilize for America". [redacted] one of [redacted] board members in his abortive "American Humane Society", has already submitted her resignation because she did not enjoy recent newspaper exposure.

[] ventured an opinion that he did not believe there would be any bombings of any Jewish synagogues in Chicago as the above individuals are more interested in seeing their anti-Semitic and anti-Negro writings in print in various "hate" leaflets whenever possible. This information was summarized, and furnished to the Bureau in Chicago airtel with the same caption as this memorandum.

Information Concerning
F. ALLEN MANN

On October 15, 1958, [redacted]
[redacted], Chicago, Illinois,
was contacted by SA [redacted]. According to [redacted]
MANN continues to put out his publication "The Revere"
and is apparently employed full time in the publishing
of this publication.

On October 15, 1958, Lieutenant [redacted]
[redacted] and Chief WILLIAM FREEMAN, Hinsdale, Illinois
Police Department, were contacted by SA [redacted] concerning
captioned matter.

On October 17, 1958, Lieutenant [redacted]
Hinsdale Police Department, furnished SA [redacted]
the following information:

The Mayor of the City of Atlanta, Georgia,
wrote a letter addressed to the Mayor of Hinsdale,
Illinois. This letter was received by [redacted]
[redacted]. This letter contained a copy of
a telegram received by the Mayor of Atlanta, [redacted]
which stated "Ha-Ha" (15 times) and was signed by
the Christian Patriots Crusade, Box 147, Hinsdale,
Illinois. [redacted] requested
Lieutenant [redacted] to ascertain the identity of the
sender of this telegram. [redacted] furnished [redacted]
the information he requested advising that this
organization belongs to F. ALLEN MANN, 841 South County
Line Road, Hinsdale, Illinois. [redacted] indicated that
he planned to advise the Mayor of Atlanta of this
information. Lieutenant [redacted] indicated that he
planned no specific action in this matter.

On October 21, 1958, [redacted] furnished
SA BOGSTAD the following information:

F. ALLEN MANN this date had picked up
3,500 copies of "The Revere" for September, 1958,
which [redacted] had printed.

CG 98-1890

MANN, when he was in [] establishment, indicated that on about October 17, 1958, reporters from "Life" Magazine had interviewed MANN at the MANN residence in Hinsdale for two ~~hours~~ ^{pictures} concerning his anti-Semitic and his pro-segregation views. There were no pictures taken. MANN allegedly furnished these reporters with alot of literature that "opened their eyes". MANN expected to receive a writeup in "Life" Magazine in the near future.

MANN told [] that he had heard that the Mayor had received a telegram with 15 ha-ha's on it. A copy of this telegram had been forwarded to the Village of Hinsdale. According to MANN, this telegram had been signed Christian Patriots Crusade, Post Office Box 147, Hinsdale, Illinois. [] asked MANN if he had sent the telegram. MANN just smiled and stated, "They can't prove I sent it."

[] recalled MANN visiting his establishment about 10:00 a.m. on October 14, 1958, to order copies of "The Revere" to be printed. (It is to be noted that the Peoria bombing occurred shortly after Midnight on October 14, 1958). [] does not recall seeing MANN during the weekend of October 12.

According to the Chicago Motor Club, the distance from Chicago to Peoria, Illinois, is 158 miles. The fastest route to Peoria is Highway U.S. 66 to Pontiac, Illinois, and Route 116 to Peoria. The driving time over this route is three hours plus.

BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS

By SAC Letter No. 58-63 you were instructed to take certain steps in cases involving bombings having an apparent racial or religious interest with resultant widespread publicity interest. In view of the number of cases arising involving the bombings of schools, churches, and other edifices, and since time is of the essence in handling such investigations, it is necessary that the field office receive immediate notification of any such bombing. It is desirable that each office have a proposed plan of action which can be immediately activated to enable the Bureau to carry out its responsibilities in a most efficient manner.

By airtel of October 20, 1958, you were further directed to prepare appropriate instructions for the personnel of your office as to the manner in which such a program could be placed into effect. In this connection you should make certain that your instructions include the following points:

I. Notification

- A. The employee receiving the information concerning the bombing must immediately notify the SAC or whoever is acting in his absence giving full details of all available information. The employee will then furnish such information to the ASAC.
- B. The SAC or individual acting in charge of the office must immediately notify the Bureau by telephone furnishing the known facts and obtain authority in each instance to make an immediate statement to the press.
- C. The SAC or individual in charge will contact the press in accordance with SAC Letter No. 58-63.

BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS

- D. The SAC or individual in charge will contact the local authorities and extend the FBI services.
- E. The ASAC will arrange for immediate notification of necessary Agent personnel. This should be handled in the most expeditious manner. You may desire to setup a system whereby each Agent upon receiving notification is responsible for immediately notifying another designated Agent thus increasing the number of Agents that may be contacted in the shortest possible time. Agents should proceed to the office or to the scene of the bombing to carry out their previously designated assignments.
- F. The ASAC may in instances involving bombings having apparent racial or religious basis immediately notify neighboring offices by teletype so that such offices may begin an immediate check as to the whereabouts of possible suspects.

II. Assignments

- A. The SAC or person acting in his absence will immediately proceed to the scene of the bombing and will be responsible for the over-all supervision and coordination of all Bureau activities.
- B. The ASAC, the second in command, will remain at the field office.
- C. An Agent should be designated to maintain liaison with the police. Consideration should be given to having this individual stationed at police headquarters so that he may immediately obtain any pertinent information coming to the attention of local authorities.
- D. Military liaison. Consideration should be given to having an Agent responsible for liaison with military authorities. This is particularly important in instances wherein it may be necessary to request explosive or detonation experts from a military establishment to handle explosives found at the scene which have not been discharged. Of course, it will not always be necessary for military explosive or detonation experts to be called to the scene.

Airtel to All SACs
BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS

- E. Crime scene search. Agents must be designated in advance who will be responsible upon notification to immediately proceed to the scene and handle the crime scene search.
- F. Informants. An Agent should be designated in advance to immediately contact by the most expeditious means all informants who are in a position to have knowledge concerning the bombing or individuals responsible therefor.
- G. Neighborhood investigation. Agents who have been previously designated should immediately upon notification proceed to the scene to institute immediate investigation in neighborhood of the crime scene.
- H. Suspects. Agents previously designated should upon notification of a bombing institute immediate investigation to account for the whereabouts during the pertinent period of logical potential suspects.

III. Your office should at this time review files and maintain a list of potential suspects who may be affiliated with any of the various "hate groups" and/or have indicated they might resort to violence. The suspects should be assigned to designated Agents who will be responsible for developing at the earliest possible time background information regarding each suspect. Such background should include information as to the suspect's residence; his place of employment and hours of employment; description of his automobile together with the license number; photograph of suspect; identification record of suspect; and a reliable neighborhood source.

In addition to an Agent being responsible for designated suspects, there should also be an alternate Agent responsible for the background information on each suspect.

IV. Observation. It is recognized, of course, that there are varying factors and conditions existing in different localities throughout the country and your program must be designed to most efficiently cover the areas within your territory. The foregoing are submitted as suggestions for the implementation of the program in your office and are not to be considered as all inclusive. A program

Airtel to All SACs

must be devised to permit immediate action in instances where you will initiate active investigation.

You should advise the Bureau within ten days of the receipt of this communication of the individuals within your territory being considered as potential suspects in such matters.

All investigation must be afforded thorough, expeditious attention. The Bureau must be kept currently informed of developments. The office of origin must submit a daily teletype summary to the Bureau setting forth results of investigation conducted on that date and indicating in detail the investigation to be handled the following date.

I had subscribed to PELLELY's paper, which was first called 'Liberation,' in 1933 or 1934 and continued my subscription to the time the publication was discontinued. I joined the Silver Shirt Legion in 1935 or 1936. There were not over ten persons in the Reading unit of the Silver Shirts which was headed by a Regional Director whom I recall as being a machine shop employee from Pottstown, Pa.

"The initiation fee for the Silver Shirts was \$10 or \$15 and no dues were paid thereafter although the members bought PELLELY's publications and also booklets in the form of scripts which were written by PELLELY and issued monthly or semi-monthly.

"In the beginning the Silver Shirt movement appeared to be purely religious with no political element present. Around 1937 - 38 the scripts began to deal with the manner in which the Jews controlled international finance and became anti-Semitic. During the meetings the Regional Director would first read a script written by PELLELY and after this discussion of the script was had among the members. No large meetings of the Silver Shirts were held in Reading. In 1935 or 1936 PELLELY's headquarters at Asheville, N. C., advised us of a meeting of the anti-Communist group in the Broadwood Hotel in Philadelphia.

"Meetings of the Silver Shirts in Reading continued for around a year and a half and then ceased. I do not know

OO - WFO

PH File - 105-2702

The files of the Philadelphia Office reflect that [redacted] a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing, and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA [redacted] contacted U. S. Post Office [redacted] on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of 44th and Locust Streets. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president."

The Southern Regional Office of the Anti-Deformation League also made available the following background regarding []. He was born [], married, and lives with his wife in a modest section. In early 1955, [] broke into a local school, tore down pictures, threw ink and oil over the walls and desks, tore down the Georgia and American flags, disfigured and destroyed them, tore various pages from the Bible in the school, and in general did much damage to the property. On August 26, 1958, [redacted] advised SA [redacted] (original source, Atlanta file [redacted]), that one [redacted] had advised him that GERALD SMITH, who resides on the West Coast of the United States, was actively engaged in raising money on the West Coast which was to be utilized for the defense for [redacted] and others who were arrested by the Atlanta, Georgia, Police Department, for picketing activities of the Atlanta Journal, an Atlanta, Georgia daily newspaper. The picketing activities of [redacted] referred to occurred on July 27, 1958, and involved five individuals who were carrying signs bearing Anti-Jewish statements.

The Atlanta Office of the FBI on October 23, 1958, received an undressed letter in an envelope which letter was captioned "Atlanta Scandal". The contents of this paper purportedly were written by GERALD L. K. SMITH, and states as follows:

"A very disturbing report has come to my desk. Five young patriots in the State of Georgia decided that they had their stomachs full of Jew-created, Jew-slanted news stories concerning what is going on in the world. Two of the worst newspapers in the United States are in the City of Atlanta. They do not reflect the Southern tradition. It is believed by many keen observers that both of these journals are manipulated by people who do not have the best interests of the South at heart.

"These five young men, representing a body of patriots, decided to picket these newspapers with signs protesting Jewish influence. They were picked up, railroaded, and sentenced to 30 days in jail. I have the names and addresses of the young men, but I am not going to give them to the public because I do not want them to be the victims of increased persecution. It is my understanding that they were released under bond and are appealing their cases. We propose to go into the matter thoroughly and if the situation is what it seems to be, we shall advise our friends to come to their aid, comfort and encouragement of these young men who have only been denied their civil liberties, but have become the victims of Jew-controlled tyranny.

AT 62-1673

"Atlanta is a bad city. It has many bad people in it. The politicians in that city are inclined to be the puppets of the secret Jewish machine. Do not judge the State of Georgia by what goes on in the City of Atlanta. The politicians of Atlanta have always fought the Talmadges and the people who have come to the defense of Southern tradition. Very frequently the Negro politicians of Atlanta are under the direct manipulation of New York Jews as well as Atlanta Jews.

II. OFFICER

FORREST ALLEN MANN, Jr.,
usually known as F. Allen Mann

On November 12, 1958, Lieutenant [] advised SA [] that F. ALLEN MANN was born September 23, 1936, Western Springs, Illinois, and resides with his parents, Mr. and Mrs. FORREST A. MANN, Sr., 841 South County Line Road, Hinsdale, Illinois. (This address is in an exclusive residential area.) MANN is not employed except in the putting out of his publication "The Revere".

FORREST ALLEN MANN, Sr. is the owner of a machine shop located in Clarendon Hills, Illinois. MANN, Sr. is quite well-to-do financially.

According to Lieutenant [], Mrs. SARAH MANN, mother of MANN, Jr., who he believes is slightly mentally unbalanced, is in complete accord with MANN, Jr.'s actions in publishing "The Revere". [] believes that Mrs. MANN would back her son in whatever he does all the way. MANN, Sr. is opposed to his son's activities, but not to the point where he would put a stop to it.

III. STATED AIMS AND OBJECTIVES

Criticism of the FBI

In the June, 1958, issue of "The Revere", Volume 4, No. 6, there appears on Page 1 an article entitled, "FBI Seeks

CG 105-3892

to Repress Patriotism". According to this article, "The FBI is being used to investigate an organization, headed by a man calling himself the Patriot, which they allege is 'plotting to overthrow the Government by force and kill all the Jews'". According to this article, our Constitutional Government has already been overthrown and "freedom of speech and of press is gone!" This article alleges "The FBI has never sought a criminal with one-thousandth the effort with which they will be required to hunt us."

b6
b7C

On Page 2 of this publication there appeared an article entitled, "The Jews in the FBI", where derogatory comments were set forth concerning FBI personnel and FBI Agents were described as "snooping and prying, coercing and bullying". This article alleges that the "ADL (Anti-Defamation League) and the FBI are working hand in hand".

On Page 4 of the May, 1958, issue of "The Revere", Volume 4, No. 5, there appeared an article entitled, "Masters of Deceit".

According to [REDACTED], this anti-Semitic article was a vicious attack on the Director, J. EDGAR HOOVER of the FBI.

On Page 3 of the March, 1958, issue of "The Revere", Volume 4, No. 3, there appeared an article entitled, "Are You Afraid to Die?" This article in part stated as follows:

"From this day forward let every decent American enlist himself in the battle against Communism. Do not be frightened when FBI Agents come to your door and threaten to imprison you for life because you are against Communism. Many of them are not FBI Agents at all but are Communist secret police, armed with forged and seemingly acceptable FBI credentials."

CG 105-3802

Ku Klux Klan (KKK)

According to [REDACTED], MANN is interested in the KKK and has written several articles in the past in "The Revere" which have been favorable to the KKK. [REDACTED] did not know MANN to engage in any KKK activities.

Lieutenant [REDACTED] and [REDACTED] knew of no KKK activity on the part of MANN but believed him to be favorably inclined towards the Klan.

Articles In "The Revere"
Regarding Bombings

On Page 2 of the June, 1958, issue of "The Revere", Volume 4, No. 6, there appeared an article entitled, "Bombings" which in part is as follows:

"...The recent bombings of Jewish centers in the South show that the white people of that area are awakening to the Jewish menace and are taking positive steps in the direction of curbing it.

"Although the newspapers have recently given coverage to a number of these bombings, most notably those in Jacksonville, Miami, Nashville, and Birmingham, they have not even begun to give the whole story. The fact of the matter is that well over 45 Jewish Centers have been bombed within the past 16 months. (Quite a record!)"

On Page 1 of the October, 1958, issue of "The Revere", Volume 4, No. 10, there appeared an article entitled, "Are the Jews Behind the Bombings?", which in part is as follows:

"The Jews are cunning and diabolical. They will stop at nothing. They even blow up their

CG 105-3802

own synagogues, and they order their flunkies - the lying press, the police and the FBI - to blame patriotic Christian Americans. It's a neat trick, but old hat for the satanic Communist Jews."

Interest In Explosives

The school, with an enrollment of approximately 400, has been integrated for about 5 years and has 93 Negro pupils in attendance. The local authorities report that there have been no racial incidents, and that Negroes and whites have lived together amicably in Osage for years.

All offices were instructed to alert logical informants concerning this matter and any pertinent information ~~and~~ immediately furnish the Bureau, Pittsburgh and any pertinent offices.

Agents to whom copies of this memorandum are addressed are requested to immediately alert any available informants in a position to furnish information concerning the Christian Patriots Crusade and the Nationalist Conservative Party **FOR ANY PERTINENT INFO.**

According to [redacted] comments were apparently based on the article recently appearing in "The Hinsdale Doings", a local newspaper.

News Publicity

On October 24, 1958, Lieutenant [redacted] furnished a copy of an article entitled "Telegram Stirs Up Tempest on Hinsdale Scene", which appeared in "The Hinsdale Doings", Hinsdale, Illinois, on October 23, 1958. This article contained in part the following information:

A copy of a telegram was sent on October 13, 1958, to "the Mayor" of Hinsdale by Mayor WILLIAM HARTSFIELD of Atlanta, Georgia, which HARTSFIELD had received, which stated, "Ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha, ha" signed by the Christian Patriots Crusade, Box 147, Hinsdale, Illinois. The local police inquired at Western Union in La Grange, Illinois, which disclosed the telegram was sent from FA 3-2872, which is listed to the MANN residence, 841 South County Line Road, Hinsdale, Illinois.

MANN, when questioned by a reporter about this telegram, disclaimed any knowledge of this telegram. MANN stated "someone is trying to stir up something. They are reaching for straws". MANN was asked about the use of the word, "they" and he explained that he meant those who are investigating the Atlanta bombing. MANN claimed that someone who disagrees with him is trying to "smear" his reputation. MANN claimed he was tired of getting phone calls from newspapers inquiring into his personal life.

CG 105-3357

MANN stated that his principal occupation is editor of "The Revere" and he sends copies of his publication throughout the United States. (This publication was described in this article as notoriously anti-Semitic). MANN indicated his newspaper is printed in Hinsdale and he has printing facilities in his home.

According to this article, [redacted] Hinsdale, claimed to have referred the matter to the Hinsdale Police Department and to have sent a letter of regret to the Mayor of Atlanta.

b6
b7C

On October 23, 1958, [redacted] advised that when F. ALLEN MANN saw the copy of "The Hinsdale Doings" for October 23, 1958, he immediately called on [redacted]. MANN was very excited and wanted to know if newspaper reporters had visited [redacted] and he replied in the negative. MANN allegedly stated he was going to take legal action against somebody because of this newspaper publicity but he did not know who it would be.

b6
b7C
b7D

In the October 30, 1958, "The Hinsdale Doings" there appeared an article on Page 4, Column 4, entitled "Hinsdale Officials Inspect MANN's Home for Zoning". This article disclosed in part that Hinsdale officials had inspected MANN's home at 841 South County Line Road for a possible violation of the zoning Ordinance. They found a mimeograph machine which MANN indicated was used for printing club notices. Zoning Ordinances prohibited the conducting of a business or commercial shop in a residentially zoned district.

On October 21, 1958, [redacted] advised that F. ALLEN MANN claimed that he had been interviewed for two hours by reporters of "Life" Magazine on October 17, 1958. SUBJECT: CHANGED
CHRISTIAN PATRIOTS CRUSADE;
FORREST ALLEN MANN, JR., AKA,

RACIAL MATTERSb6
b7c

The title has been changed to add Forrest Allen Mann, Jr., Aka, as a subject.

The Bureau's file relating to Mann, #62-103354, Chicago file #105-3357, is being consolidated into the file relating to Christian Patriots Crusade, Bufile #105-53447, Chicago file #105-3802. A similar consolidation should be made in your office.

It is noted that the Washington Field Office by airtel dated 7-17-50 furnished your office with certain literature published by Christian Patriots Crusade including a throwaway captioned "Death To The Traitors! It Is Time For Old-Fashioned American Justice." Beneath the caption there is pictured a man hanging from a tree apparently the victim of a lynch mob. It would appear that this propaganda both advocates and tends to incite violence. For this reason this case is to be immediately reopened in your office and is to receive vigorous investigative attention for the purpose of determining the extent to which the subjects have disseminated such material. Investigation should include a review of the files of the Anti-Defamation League and contacts with the Postal Inspector and the U. S. Attorney for any pertinent material they may have. Submit a comprehensive report by 3-20-59 setting forth the results of investigation and describing in detail the literature and activities which advocate, condone or tend to incite violence for the purpose of denying others their constitutional rights. Any pertinent material which cannot be adequately described in narrative form should be submitted as enclosures to the report. Two sets of such enclosures should be furnished to the Bureau.

It is noted that Mann may be closely associated with [redacted] and [redacted], both of whom are subjects of individual racial matters investigations now pending in your office. These investigations should be closely coordinated.

inspectors and through a legal search procedure the contents of this tape recording were transcribed on July 18, 1957.

In March and July, 1957, Assistant United States Attorney PARSONS was contacted by postal authorities in connection with possible violations concerning MANN within their investigative jurisdiction; however, PARSONS, at that time, determined that the facts would not result in successful prosecution.

On October 9, 1958, postal inspectors at Chicago again presented a case against F. ALLEN MANN charging him with violation of United States Code, Title 18, Section 1461, in connection with MANN's mailing of anti-Semitic posters printed by his organization, known as the Christian Patriots Crusade (CPC), which may come within the purview of this Statute. This information was furnished to the Justice Department for a legal opinion.

PARSONS advised on March 3, 1959, that by letter dated February 16, 1959, the Attorney General advised that Section 1461, Title 18, United States Code, would be difficult to apply to obtain successful prosecution.

According to PARSONS, the best material for possible prosecution of MANN by postal authorities was the envelope in which the tape recording was enclosed, and the leaflet entitled, "Death! to the Traitors". Both of these items were described in the enclosed report. PARSONS indicated that the federal statutes that would apply in this case are in Title 18, United States Code, Sections 1461, 1717, and 1718.

It is to be noted that the Justice Department in their letter commented on Sections 1461 and 1718; however, no comment was made regarding Section 1717. PARSONS planned to communicate with the Justice Department on paragraph A in Section 1717, which he believed would apply in this case. PARSONS was desirous of having the Justice Department reconsider this case.

PARSONS advised that if this case went to trial he believed a trial would curb the sort of thing that MANN has been doing. PARSONS indicated that this case could receive publicity in three ways: (1) the subpoenaing of witnesses before a hearing group; (2) the return of an indictment and the arrest of the defendant, and (3) the trial in this case.

PARSONS was of the opinion that to date there is no indication that MANN has violated any federal statutes in which the FBI has jurisdiction. PARSONS was of the opinion that no one's constitutional rights have been denied as a result of MANN's activities.

It is to be further noted that inquiry was made into the information mentioned in the tape recording regarding [redacted] purchasing saltpeter in a drugstore in Clarendon Hills, Illinois. Inquiry was made in this matter and reported in the case entitled, [redacted]; ET AL, INFORMATION CONCERNING" (Bureau File [redacted]).

[redacted] advised that their office had received a copy of a letter dated February 16, 1959, from the Attorney General. [redacted] indicated he had also received a copy from Assistant United States Attorney PARSONS regarding the letter the United States Attorney received from the Attorney General. Both letters were identical except for the salutation which was different. Photostats of this letter are being furnished the Bureau for information. [redacted] indicated that he had furnished PARSONS with copies of all of the material in his possession.

[redacted] further indicated that he is closely following MANN's activities with the idea of obtaining prosecution. [redacted] advised he is furnishing information to PARSONS on a continuing basis. [redacted] stated that when he interviewed F. ALLEN MANN about two to three years ago MANN, at that time, was not very cooperative and was inclined to be belligerent.

[redacted] also furnished a copy of the transcript of the tape recording by MANN which is also being furnished the Bureau for information.

[redacted] had no additional pertinent information that was not in possession of Assistant United States Attorney PARSONS.

The CPC is a one man organization which was started in about 1956 by FORREST ALLEN MANN, JR., who is 22 years of age and resides at 841 South County Line Road, Hinsdale, Illinois. MANN receives his mail at Post Office Box 147, Hinsdale. There has been no meetings of this organization and there are no members. The main activity of this organization consists of the mailing and distribution of "The Revere", and other types of "hate" literature throughout the United States.

"The Revere" is the official publication of this organization and contains articles that are anti-Semitic and anti-Negro and these articles appear to be pro-fascist in nature. In addition MANN in his publication speaks out against public officials, including President EISENHOWER and has called for impeachment and prosecution for alleged offenses.

Miscellaneous

For the information of the Salt Lake City Office, in connection with the case entitled "BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS", [redacted] name has been furnished to the Bureau as a logical suspect in any bombings or attempted bombings in the Chicago area. [redacted] has recently been under investigation by the Chicago Office. [redacted] who in the past was a mental case, a homo sexual and has written highly derogatory letters to the Director, FBI, criticizing the Director and SAs of the FBI.

For the further information of the Salt Lake City Office, FORREST ALLEN MANN is also a suspect in any bombings or attempted bombings in the Chicago area and has been under recent investigation by the Chicago Office.

In October, 1958, Postal Inspectors in Chicago presented a case to the United States Attorney's Office against MANN charging him with violation of United States Code, Title 18, Section 1461, in connection with MANN's mailing of anti-Semitic posters. Legal opinion was sought from the Justice Department and in February, 1959, the Attorney General advised that Section 1461, would be difficult to apply to obtain successful prosecution. However, Postal Inspectors are continuing to follow this case as well as the Chicago Office.

CG 105-456

It is to be noted further that at the present time a source of the Chicago Office prints MANN's literature and that some of MANN's literature has set forth derogatory remarks concerning the FBI.

On June 22, 1959, [REDACTED]

[REDACTED] telephonically contacted SA [REDACTED] at the Chicago Office and emphatically expressed objection to the FBI's methods used during investigations of the school bombing at Clinton, Tennessee; the kidnapping-murder of a Negro at Poplarville, Mississippi; and the synagogue bombing at Atlanta, Georgia. In these cases, she charged that the FBI had transgressed in an unreasonable and inhuman manner upon the civil rights of innocent individuals and had intended to obtain false admissions of guilt from them. She stated that she had just read the "truth" of these investigations and that as a result she condemned the FBI and its leader J. EDGAR HOOVER who condoned such actions.

When asked as to the source of her information concerning the described cases, she stated that she had read it all in a recent issue of "The Thunderbolt", a magazine expressing "the white man's viewpoint". She was unable to state who published "The Thunderbolt" but she promised to mail her recently received copy of "The Thunderbolt" to the writer for review and return to her.

[] then rambled on with discussion of several subjects during the course of which she condemned the Jews, Negroes, the United Nations, President DWIGHT EISENHOWER, the Supreme Court, and the American Medical Association; objected to the spread of Communism under Jewish promotion; objected to the deployment of United States troops to foreign lands; objected to the failure of the American Medical Association to back the Dr. IVY cancer drug and the Hoxey cancer cure; objected to the fluorination of the water supply of Chicago and other cities; objected to the failure of the United States Government to enforce the Pure Food and Drug Act, and recommended the removal of all United States Negroes to Africa.

Without solicitation, [] added that she also intended to forward to SA [] other literature having bearing upon the above topics.

On June 26, 1959, a bundle of literature was received by [] from [] some of which was marked for return to her and others of which were available for permanent retention by the FBI. The literature marked for return included the described issue of "The Thunderbolt" which publication listed its address as Box 261, Jeffersonville, Indiana, and described itself as the official organ of the National States Rights Party. The publication proved a complete distortion of the facts concerning the above mentioned cases investigated by the Bureau and severely criticized and condemned the FBI for its action in violation of the civil rights of the alleged innocent. Subject stated that he had recently mailed out several hundred copies of a pamphlet entitled, "USA Already a 'Communist' Nation," a reprint from the Aryan Sun Workshop and The Broom, San Diego, California.

PCI stated that he talked to subject for about two hours, but that most of subject's comments concerned the content of the literature which he had in his possession. During the conversation subject did state that there had to be a revolution in the United States "to straighten this thing out," referring to the fact that he felt that the Government of the United States was under the control of the Jews. From subject's remarks, PCI felt that subject was referring to the situation in Germany before World War II, when ADOLPH HITLER had killed many of the Jewish people.

Subject furnished to PCI the following literature [REDACTED]
